BACK FOR OUR EIGHTH SEASON!

Cold Water on a Hot Shabbos!

Starting on June 7th, Shabbos Parshas Bamidbar, and continuing on Shabbos afternoons through the summer, hosts will set up water stations throughout the area when temperatures reach 85° or higher, providing cold water bottles to pedestrians.

The Baltimore community is still feeling the loss of a unique power couple, Rebbetzin Miriam Lowenbraun, ע"ה, who was *nifteres* on June 14th, 2014, and Rabbi Yitzchok "Itchie" Lowenbraun, ז"ל, who was *niftar* on April 29th, 2021.

Amongst the many important roles they played, they served as Regional Directors of NCSY's Atlantic Seaboard for 18 years, dedicating themselves to the needs of thousands. As pioneers in kiruv, this dynamic duo are inspirational role models whose exceptional *hachnosas orchim* and Torah lessons still reverberate worldwide.

While this program was initially developed in memory of Rebbetzin Lowenbraun, ע"ה, we have rededicated it to include Rabbi Lowenbraun, ז"ל, as well. The Mei Miriam program is our way of honoring the memory of this special couple.

Hosts needed in the following areas: Menlo, Pickwick, Willow Glen (Green Meadow Parkway) and Summit Park.
